Name of Donor(s): Nepalis and Friends Cultural Association  
Tax Year: 2006  
Amount Contributed: \$500.00

Of course, this letter is more than a receipt; it is our way of letting you know that your donation is currently on its way to bringing the joy of learning to children throughout Asia. Since 1999, we have published 77 local language children's titles, established over 2,930 libraries, worked with nearly 200 villages to build new schools, funded 92 computer and language labs and helped over 2,000 girls from low income families (who would otherwise not be in school) receive the gift of learning through scholarships. At Room to Read, we are all about results, and we believe that there is no other investment that can bring the same returns as the gift of literacy.

As you know, the seven countries in which we operate: Cambodia, India, Laos, Nepal, South Africa, Sri Lanka and Vietnam have a vital need for educational resources. Thanks to donors like you, we have been able to reach over 990,000 of these children through our operations. It is for this reason that we are committed to being faithful stewards of your money, and as such, we strive to keep our expenses very low.

So again, thank you for your support. Thank you for caring about education, and thank you for your willingness to reach across continents and oceans to make all the difference in the world!
